

Criteria for Poster Presentation

In this assignment, students present their projects at a poster presentation session.

The presentation is evaluated out of 30 points.

Display (15 points)

The poster must be mounted on the wall/exhibit board provided. It should attract attention and convey information. Language should be simple and descriptions brief. Spelling and grammar must be correct. All text should be large enough to be read from a distance of 1-2 metres. Photographs, drawings, charts, tables, or graphs should be simple, well organized, and carefully chosen.

The following should be clearly presented:

- title
- student's name, advisor, and department
- introduction
- methods
- results
- interpretation of results and conclusions

Oral Presentation (15 points)

The oral presentation should be clear and concise, and should include the major points presented on the poster. Students should all be able to answer questions effectively about their poster.
