

Criteria for Annotated Bibliography

In this assignment, students are asked to find research-based sources for their projects and provide an annotated bibliography consisting of minimum **five** articles.

Please note that this assignment is out of 10 points.

The sources are:

1. The sources are relevant to the research question(s).
2. The sources are academic (research-based) and credible.
3. The sources are summarized properly.
4. The sources are listed in a meaningful order (alphabetical or chronological)
5. Writing is clear and concise.
6. In-text citations and reference list citations are complete and properly formatted in APA style.
